

**AESC** is seeking an experienced certified veterinary technician for our expanding surgery department.

The successful candidate will possess specific qualities:

- Great technical skills (surgery and anesthesia experience preferred)
- Exceptional attention to detail
- Able to work well in a team environment
- Punctual, on-time, and reliable
- Efficient work habits

Duties include, but are not limited to:

- Client communication
- Anesthesia monitoring
- Assisting in surgery
- Patient care
- Night/Weekend/After-hours on-call

If working in a highly professional, state-of-the-art environment is appealing to you, won't you consider joining the AESC family?

Education requirements: Graduate of an accredited technician training program

Status: Full-time - benefits eligible after introductory period

Pay-rate: \$15-18 per hour (depending on experience)  
(Opportunity for additional pay for on-call coverage)  
**Additional incentives for technician specialists.**

Benefits include health/dental insurance, 401k retirement plan, long-term disability insurance, flexible spending account, paid time off, uniforms, and a generous employee discount.

Physical requirements: able to stand on feet for most hours of the work day, ability to lift sedated or anesthetized patients (often in excess of 75 pounds) assisted or unassisted.

Qualified applicants are encouraged to fax or email their cover letter, resume, and completed application to:
