

Looking for career advancement and outstanding employee benefits?

Don't pass up the opportunity to work at
MedVet Medical and Cancer Center for Pets!

The MedVet anesthesia department is currently looking for a full time RVT. Preference will be given to Veterinary Technician Specialists or those interested in pursuing a specialty in anesthesia.

MedVet offers a fast-paced, stimulating work environment with state-of-the-art equipment and an anesthesia caseload of over 4000 cases per year. MedVet consists of a 24-hour/7 days a week emergency department and houses Veterinary Rehabilitation of Ohio.

MedVet has board certified specialists in Anesthesia, Cardiology, Dermatology, Radiation Oncology, Internal Medicine, Medical Oncology, Neurology, Radiology and Surgery.

Technicians are eligible for pay incentives for weekends, holidays and 2nd or 3rd shifts. MedVet offers competitive wages, yearly uniform allowance, hospital discounts, paid time off, health, dental, life and disability insurances, as well as a matching 401K plan and CE reimbursement.

Please send resumes to employment@medvetohio.com
or fax to 614-431-4419 – Attn: Human Resources.
